VERY REV. WILLIAM L. KELEHER, S.J.

At the Summer meeting of the Executive Committee of the Alumni Association, it was decided that more interest in and support of the Alumni Loyalty Fund might be attained if a very definite and specific goal could be presented to the members of the Association. After consultation with your committee it has been decided now that a goal which should prove attractive and most practical for the College and the Association would be the restoration of the "Black and White House" as an Alumni center.

You are all familiar with the site next to the Philomatheia Club and you know, too, how unattractive it is in its present condition. I have been assured, however, that the building is substantially in good condition and can be reclaimed at what I feel is a reasonable price.

My own concept on the matter is that we should make it an Alumni Center along with a center for extra-curriculum activities for the undergraduates. I would like to see your Alumni Secretary established there rather than intown, along with the Directors of Public Relations, Publicity and the Placement Bureau. The HEIGHTS, STYLUS and SUB-TURRI could also be accommodated comfortably and practically and over all we would have three large assembly rooms for Class Meetings, Socials,

Communion Breakfasts and the like. Encouraged by the enthusiasm of your Executive Committee, I have gone ahead with an architect and contractor to get figures on exact costs which I shall present to the Committee at their next meeting. I have been encouraged, too, by the support of classes and groups to whom I have made mention of this plan and already I have been assured of better than twenty thousand dollars to help us towards this goal. It has been suggested that clubs or classes would be interested in taking certain rooms or facilities to equip the building and, with this in mind, we are presenting a brochure which will explain the entire building and its possibilities.

For a long time we have felt the need of a building to house all such activities and I really feel that this proposition will answer most of our needs. It can be done quickly and reasonably; we shall be prepared to start just as soon as we have the backing of the Association.

Most heartily, I wish you all a Happy and Blessed Christmas; once again, I assure you that all the Fathers here at the Heights will have a very special memento for you and your intentions in their Christmas Masses. May the Holy Babe of Bethlehem bless you and yours always!

HERE'S BIG NEWS

Plans are under way for converting this beautiful and spacious Elizabethan mansion at 74 Commonwealth Avenue on the College campus, just below the Philomatheia Club, into a permanent clubhouse as a center of all activities, business and social, to serve the Alumni. Facilities include office space for the Alumni office, public relations, publicity and the placement bureau as well as a dance hall, two comfortable lounges and a modern kitchen for preparation of refreshments.

You'll really be at home here!

RALLY

REV. GEORGE V. KERR

Packed full of entertainment, music and speech making an old fashioned football rally will attract Alumni by the hundreds to the University Club on Friday, November 25. Forgetting past scores and games of the present season the Alumni will turn out to cheer on the football team to victory on the eve of the annual game with Holy Cross in the series that began in 1896.

Alumni will gather to reminisce about the "greats" of former days. Somebody may even remember the Indian by the name of Sockalexis who played for H. C. back in 1896 when B. C. in one year twice defeated Holy Cross. And not so far back in memory is the score of the 20th century massacre, 55-12.

Alumni President John Atkinson, '16, has turned the evening over to Chairman Robert J. Glennon, '34. Bob has a large number of attractions. Digging down into his bag of tricks he has come up with a prime feature — the appearance of the wearer of Number 13 on the Sugar Bowl team, Charlie O'Rourke, '41. Charlie's coaching these days down in Baltimore, but has promised to be on hand on the 25th. Another Sugar Bowler will also speak to the Alumni, Rev. George V. Kerr, '41. Representing the present team will be its captain, Art Spinney.

The coaching staff headed by Denny Myers is lined up. As for the Athletic Association there will be Rev. Maurice V. Dullea, S.J., and John P. Curley.

Balancing the speaking end of the evening will be plenty of music in the form of the double sextet made up of members of the College Glee Club, and the band and a fellow who is a great accordionist, name of Phil Claff.

Another featured speaker, who is earning quite a reputation for himself around Boston, is Rev. Joseph P. Monahan, '32. Among the sports writers will be Vic Jones and Gerry Moore, '32, of the Globe along with Gerry Hern, '32, of the Post. Continuing, we find also, Secretary of Labor Maurice Tobin and Governor Paul Dever. In addition, there is the dynamic head cheer leader, Giles Threadgold. Members of the Holy Cross coaching staff have been invited.

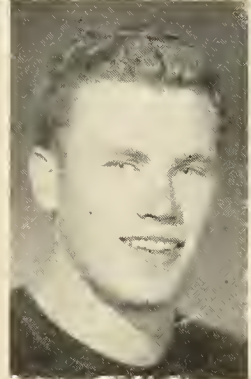

Bob Glennon and his committee have a good evening in store for you. They've even arranged to have the hall set up with tables and waiter service. In order to meet expenses they have to charge admission, but it's only a dollar and seventeen cents of that goes to Uncle Sam.

The committee is: Frank Heanue, '17, Frank Nolan, '18, Bob Brawley, '20, Nat Hasenfus, '22, Joe Ingoldsby, '27, Luke Doyle, '28, Tim Donahue, '34, Ed Ash, '39, Bob Griffin, '39, Tom Glennon, '40, Marty Carew, '41, Peter McHugh, '45-II, and John T. Driscoll, '49.

See you at the University Club at 8:30 on November 25th.

FOOTBALL

The football eleven is a far better team than its record of wins and losses indicates—as we said in September only a courageous college would brave the schedule that the Eagles are facing this fall. Tom Hamilton (remember him when he appeared at the Sugar Bowl dinner in 1941?) when he was coach of Navy said, “We’d rather be beaten by class than run over mediocrity. Our system is to meet and play the best.” We at Boston College, too, meet the best—almost 100 per cent of us Alumni subscribe to the policy that is in effect on University Heights.

In September this corner stressed the critical need for a plunging back to keep the opponent defenses honest and to make the passing game of Clasby and Songin effective. Games have been in part lost because that type of fullback had not been found. Farrell has played well; at times he has been excellent, as in the Mississippi game. Boverini has been splendid on defense, but until the Clemson game when Ed Petela, given his big chance to show his worth, was the best back in the field, line-smashing was missing. Ed came through—Sportswriter Joe McKenney on the air hailed Petela as another Holovak.

Several mischances conspired to bring defeat to the Eagles when victory was expected. The loss of Ed Kennedy was severely felt, and this despite the brilliance of Chouinard and Tarasovich. Ed Clasby’s broken leg in the third game of the campaign was extremely costly, for Big Ed and Clasby were important cogs in the Myers machine. Bad breaks like that one in the Villanova game when everyone in the park was so fooled by Songin’s intention that even a player was detected, either correctly or not, of going down the field illegally, thus nullifying a wonderful touchdown pass thrown by Songin and miraculously received by Al Cannava, added woes to the harassed Eagles. At times, too, the team was guilty of ineffective blocking and tackling.

At present writing the team has a 2-4-1 record, but, gentlemen, remember that this team is better than its record, and that record has been compiled in Grade A competition—not in second rate competition that would leave the Eagles undefeated and unrecognized. Four of these teams were Bowl elevens last season.

The season opened disastrously, when a wonderful Oklahoma club, third in the nation in 1948 and third in the nation today, caught a B. C. team that was by no means ready for it. Why the Eagles were so far behind Oklahoma

on that opening day is no mystery when we learn that the Southern club had worked as a unit a good part of the summer. B. C. had no offense except Songin’s passing on the day that the Sooners annihilated the Eagles, 46-0, in one of the most overwhelming defeats of sixty years of B. C. football. Songin passed 46 times for 22 completions and a dozen first downs, but the Eagles were never in the game from the opening kickoff that was run back for a touchdown.

All was forgiven in the next game, for Wake Forest, another Bowl team, was nipped, 13-7, when Joe Diminick and Ed Songin clicked for two last-period touchdowns and the Eagles looked like a team that might go undefeated the rest of the season. Running up 15 first downs and showing flashes of ground brilliance, the Heightsmen won a notable victory.

But then at Penn State the roof fell in again, this time because the Eagles fell victim to an aerial attack both of their own and on the part of the Nittany Lions. Hoover intercepted Songin’s pass for the first score; then Luker passed four yards for the second. The huge crowd of Boston adherents had a sad day at State Park.

Back at Boston, and led by the spectacular play of Al Cannava, the now low-rated Eagles outplayed mighty Mississippi, to tie the Southerners, who had looked for a routine victory. B. C. jumped into a 19-6 lead, only to give up three touchdowns to the visitors in the last quarter. But victory was still within the grasp of the Maroon and Gold, who were so hot that they carried to the 11-yard line on first downs just as the clock ran out.

Against Georgetown we thought that our cohorts were on the way—we hoped that the boys would not be too hard on the Hoyas when Jack Farrell ran for a touchdown to climax a wonderful offensive within five minutes of the kickoff, but Margarita’s team tied the score and won on a cleverly executed field goal at the very end. Once again Cannava starred; it was a furious game of football, and we were thrilled by the action.

Villanova simply packed too many guns for the Eagles, yet we were satisfied by the fight that the boys made, even while falling 28-14. The score was 21-0 midway in the first half; then B. C. roared back, led by Songin and Cannava, to ring up three touchdowns in nine minutes. We were delirious when alas! the third touchdown, on the very last play of the half, was brought back because a Boston player had been

fooled and had stepped over the scrimmage line on a Songin-Cannava pass. That was the turning point of the game, for neither team waxed hot in the second half, although Villanova pushed over one more score.

Ed Petela came into his own at Clemson, when for the first time since 1941, the Eagles successfully invaded the South, and exploded with a thrilling 40-27 victory in a wild and wooly football game. Petela carried for 118 yards in 18 rushes; Songin passed beautifully for three scores, as the Walpole senior continued his spectacular and accurate hurling that has brought him into second place in passing in the whole nation. Roarke's pass catching (he went twice for touchdowns) tabs him as an end who will see goodly action in years to come, and the play of Stan Goode at end was spectacular. The well-deserved victory over Clemson places a new light on the season—the boys can win over both Fordham and Holy Cross, if they play the kind of game of which they are capable.

FRESHMAN FOOTBALL

We must not neglect the work of a splendid freshman club that shows masterful direction on the part of Coaches Holovak and Stuka. The 6000 who saw the Eaglets defeat Fordham 17-7, the 6000 who saw the defeat of the Dartmouth freshmen by over twenty points, and the 11,000 who saw our lads overpower Holy Cross 32-14 and saw Joe Johnson, Ahearn, McCaulay, McKinnon, and their mates run 349 yards to 39, saw the most promising backs to appear at the Heights in years, and the tremendous line that is varsity in ability. We compliment the coaches and the boys on a job well done, and we have high hopes for the future.

BASKETBALL

Basketball prospects seem bright. Most of the '49 varsity are available, and the splendid Brooklyn-studded freshman team is intact. Coach McLellan in previewing the season says, "The team is better right now than it has been at the beginning of any season since I have been on the Heights. We will be very fast; my only fear is that we may find that accuracy may be sacrificed to the excessive speed of our team—that remains the problem to be solved. Best of all my boys really want to play."

The team is definitely a New York club, for Tim O'Connell, Tom O'Toole, Tom O'Brien, John Moran, Tom Deegan, Ronald Hickey, and Mort Stagoff are all from Brooklyn, while Dick Fitzgerald, Bricker, and Gaffney are from New York City, and Frank Higgins is from Long Island. Several of these boys are well over 6'2", and their height served them well in the recent scrimmage with the Celtics, in which the collegians, led by O'Connell's 22 points, showed that they would do well in professional basketball. Gauthier,

from Connecticut, will see much action, and local boys like Frank Duggan, Dick Haycock, the McElroy twins, Flanagan, and Levenson are doing well. The schedule is excellent and we can look forward to a very successful season, even though the opening game is with Rhode Island State. Among the other attractive games are contests with Harvard, Yale, Loyola, Holy Cross (2), and LaSalle. Boston Garden will be the home court, although several games will be played out at the Heights.

HOCKEY

John Kelley has already called out his hockey champions and is working hard, helped by Jim Fitzgerald and Bernie Burke. Captain Songin is a great defenseman, and good news is the fact that injured Joe McCusker will be available to team up with him once more. The clever junior trio of Mulhern, Ceglaski, and Harrington may be the first line this year, and McIntyre, Lewis, and Threadgold may team up as a unit, although pepper-pot Bill Walsh or Byrnes may oust one of them. Dick McBride is a likely prospect, and Delorey is good either on the defense or on the forward line. Shellenback will be a handy man, too. At goal, Phile Laponte and Ed Casey will vie for the position left vacant by Burke. The schedule, in addition to the regular New England listing, has an Ivy tinge, for Harvard (2), Dartmouth (2), Yale, Princeton, and Brown are all met. Once more Canadians are coming to Boston to play B. C. as they did in days of yore, for both McGill and Toronto are crossing the border. Michigan is coming from the West, and it is more than a chance that Colorado, too, will show its wares at the Arena.

SAILING

The sailing team is having a happy season. Several members of last year's team are again available, notably Quirk, Charles, and Hanna. Highlight of the fall season will be the invasion of the South, where B. C. will defend the Frostbite Championship won last December over Georgetown, Annapolis, and the best in the East. The Regatta will be held on the Anacostia River in Washington, where Georgetown will be the host. The team has sailed every week end and has done well, finishing second to Northeastern in the Lane Trophy races, leading Holy Cross, Worcester Tech, and B. U. The Eagles took the measure of the Huskies in the Schell Trophy races, as they finished third to Tech and Harvard, leading a large field. Entrant at the New London championships was Fran Charles, who finished among the leaders. Commodore of the club is Joseph Hickey, Vice-Commodore is Fred Quirk, Rear-Commodore is Fran Charles. Fleet Captain is Tom Hanna, and Secretary is Robert Taylor, who learned his sailing in the warm waters of the British West Indies.
